

Social Dialogue

Christine Le Forestier posted a new file 

[WP5 OUT 5.1 susodco newsletter 1 ab.pdf](#)

Dear colleagues,

Here is for your information the 1st newsletter of the EU project SUSODCO, aimed at promoting social dialogue in several EU Member States.

FIEC is NOT participating in this project, but several of its Member Federations are in the project and it is led by our Slovenian colleagues.

Best regards,

Christine
