To: FIEC members, SOC groups members, DESOCO participants

INVITATION

SuSodCo virtual Capacity Building Event Seminar (09 Dec 2020) and Workshop (16 Dec 2020)

Dear Madam/Sir,

The SUSODCO consortium is delighted to invite you to the **first virtual Capacity Building Event**, part of SuSodCo project, which is aimed to equip social dialogue partners with crucial capacities to facilitate the effective and efficient industrial relations in Central and South-eastern Europe. The host of the initiative is the Trade Union of Construction Industry of Croatia (SGH).

The first Capacity Building Event of the project is divided into two sessions – seminar and workshop.

The seminar, planned for 09 Dec 2020 from 9:00 am until 12:00 pm (CET), will focus on the key findings of the research phase of SuSodCo project, unveiling the social dialogue challenges faced by the construction industry in Bulgaria, Croatia, Cyprus, Greece, Hungary and Slovenia. Prominent panelists from renown European institutions will illustrate the international context of the social dialogue and present the recent developments in the digitalization of the construction sector, workplace productivity, and the social dialogue benefits for the construction industry. For more details about the panelists and the presentation topics, please have a look at the attached draft agenda.

The workshop, planned for 16 Dec 2020 from 9:00 am until 11:00 am (CET), will involve employers' and employees' representatives in an interactive session, looking at the different ways of how to integrate the European social dialogue framework in their own national multiannual social dialogue programmes. The online collaboration tool (Miro) will facilitate virtual teamwork. There will be an orientation and short online training session for using the Miro tool prior to the workshop.

Please register for participation at both events at the registration **links provided in the agenda**. The event will be held on the Zoom video conference platform and you will receive the respective links upon registering to the sessions. The official language of the seminar and the workshop is English. We will be able to provide **translation for the seminar** during the first day; however, you should **specify your language request in the registration link the latest by 1 Dec 2020**.

We are looking forward to seeing you at the first SuSodCo Capacity Building Event to exchange insights and interesting ideas on how to work together to achieve our common social dialogue objectives on a national and European level.

23 November 2020

Sincerely,

The SUSODCO consortium
