

ADDED VALUE AND LASTING IMPACT OF THE PROJECT

- Improved capacity and reinforced role of social partners in the construction industry
- Quality input to European debate and social dialogue issues in construction sector on EU level
- Better regional and national management of social dialogue in the construction industry
- The adaptation of social dialogue to changes in employment and work-related challenges

A new free tailor-made sectoral social dialogue platform presenting key past and ongoing social dialogue initiatives, campaigns and focused EU projects in the construction sector will ensure further dissemination and exploitation of the concepts, used methodologies, outcomes and impacts being achieved in EU.

THE MAIN OBJECTIVES OF THE PROJECT SUSODCO

To reactivate national sectoral social partners and to build and improve their capacity for their successful and active social dialogue cooperation referring to the next multi-annual work program for the European social dialogue for the construction industry (2020-2022) and national social dialogue priorities of the construction industry.

BENEFICIARIES INVITED TO PARTICIPATE ON CAPACITY BUILDING EVENTS

1st target group: social partners of the construction industry of the concerned countries

2nd target group: country representatives of the social dialogue committee for the construction industry

3rd target group: social partners' organisations representing services, umbrella organizations.

OUR STEPS

Report No.1: Overview of Social Dialogue Status in Construction Sector in the Southeastern EU Region (Bulgaria, Croatia, Cyprus, Greece, Hungary, Slovenia)

Report No.2: Overview of Key Initiatives and Projects Concerning Social Dialogue in Construction in the EU in the 2010-2020 Period

Report No.3: Overview of the Internal and External Communication of Employers' Organizations and Trade Unions in Construction in Southeastern EU Region (Bulgaria, Croatia, Cyprus, Greece, Hungary, Slovenia)

Report No.4: Social Partner Organizations' Capacities for Implementation of Social Dialogue in Construction Industry in Southeastern EU Region (Bulgaria, Croatia, Cyprus, Greece, Hungary, Slovenia)

STAKEHOLDERS CAN BENEFIT FROM OUR PROJECT

During the project we will organize four focused interlinked Capacity Building Events. They will equip social partners from the Eastern, Central, and South-eastern Europe with valuable and significant capacities for effective and efficient industrial relations. The two-days' events will focus on the following themes:

Dec 2020: National multiannual social dialogue draft plan.

Apr 2021: The importance of the Communication strategy for effective social dialogue.

June 2021: The digitalization of the economy within the social dialogue agenda and digital skills.

September 2021: The essence of the communication skills used for implementation of social dialogue. Polishing partners' skills gaps.
